

Lesson Introduction

A computer is a great solution that can make life easier, but it can also make our lives miserable with things such as viruses, hacking and phishing. What are all these terms? Join us on this interesting English lesson and find out!

以防万一，请加入讨论组 <http://groups.google.com/group/chinese-learn-english>

(如果 google group 被封锁了，可以想办法翻墙，也可以给我发个信，我手工加你的 email)
