0287 Daily Life - High School Reunion

Class of 1990, it's time for your 20-year reunion! High school reunions can be fun but are also very awkward affairs. It's interesting, surprising, (and sometimes depressing), to see how much people have changed. The most popular cheerleader? She's now the CEO of a Fortune 500. The most handsome jock? He's now overweight and balding. The nerd who couldn't get a date to prom? His name is Bill Gates, and he's quite rich. Join us today at EnglishPod as we relive the fun and cringe-worthy memories of high school at our high school reunion!
